

# Me, My Children and the Killer SMOKE

## INTRO:

The village " GATLANG VILLAGE" , Rasuwa, NEPAL

*"Gatlang village lies in the high hills (more than 2200 meters from sea level) in the Rasuwa district of Nepal, at the north of Kathmandu. The village comprises nine wards, of which six forms the centrally clustered village with about 300 households and majority of them about 98% belong to Tamang community. The basic infrastructure such as drinking water, sanitation and waste water management are not made accessible among the community."*

## CHILDRENS

*"Happy Moments: its festival"*

*"Daily Routine: Its time to work, No time for School"*

## Mother's IRONIC: Baby's FATE

### Smoky Days and Cold Nights What Should I do for my Childrens' Rights

Lets join hands HELP them. Lets kill the killer smoke.
